About the Facilities:

Our Convention will take place at
Catholic University of America:

620 Michigan Ave NE, Washington, DC 20064

The participants will stay in the dorm area of the campus. While the boys convention is also located on the CUA campus they will be staying in separate dorms. The university is on the same campus as the National Shrine of the Immaculate Conception in DC where the participants will have their daily mass. We will also be walking distance from the metro, which allows for easy access to transit for the Monuments and Museums on the National Mall. The location surrounds our participants with inspiration and impactful speakers in the DC area with the mindset of evangelizing culture.

While the boys and girls conventions are separate, we will be joining together for a mission day in the DC area.

“Do not be satisfied with mediocrity. ... Do not be afraid to be holy! Have the courage and humility to present yourselves to the world determined to be holy, since full, true freedom is born from holiness. This aspiration will help you discover genuine love, untainted by selfish and alienating permissiveness.” – Saint Pope John Paul II
