

Regnum Christi and ECYD across the North American Territory

May 2021

Overview

- Regnum Christi, as a spiritual family and apostolic body within the Catholic Church, has been present in the United States since 1968.
- Regnum Christi consists of single and married lay men and women, consecrated lay men and women, and Legionaries of Christ, all collaborating in a common mission.
- Regnum Christi is also present in the form of ECYD, where adolescent boys and girls live out the Regnum Christi charism according to their age.
- The North American territory of Regnum Christi covers the United States, Canada, the Philippines, South Korea, Australia and New Zealand. The territory is divided into 24 localities
- The mission of Regnum Christi – to be and to form apostles – is lived out within these localities.
- The following pages show a high-level snapshot of Regnum Christi found in each of these 24 localities.
