

Radically given

Oh oh ooh oh oh oh ooh oh oh
He's leaving home, he isn't feeling ready
What is it like? What if I don't know what to say?
But deep inside the echo a famous phrase
Be not afraid!
She's at the tents, she feels a bit uneasy
But there's a girl, "she could be the same age as me"
She reaches out, before you know it, they're best friends
She says "Now that love has taken hold
I will give you all of me"

**The world needs all your love
And you just wanna be given
And I'll be the one to carry you
Ba da bap bap
The world needs all my love
And that's what I wanna give'em
'Cause You are given to me totally
And that's why I am radically given to you
Oh oh ooh oh oh oh ooh oh oh
Given to you!**

You've got your cross, its painted on the sunrise
A greater love, it makes me wanna give my life
It's radical, and now I'm holding nothing back
This is the night, you've given us our freedom
You are the bread, there's nothing more that you can give
I see the lamb, I'm watchin' as you offer all
in awe, in awe, in awe...

I know it's hard, I can't believe
There is no charge, a gift is free
now that love has taken hold
I will give you all of me

**The world needs all your love
And you just wanna be given
And I'll be the one to carry you
Ba da bap bap**

The world needs all my love
And that's what I wanna give'em
'Cause You are given to me totally
And that's why I am radically given to you
Oh oh ooh oh oh oh ooh oh oh
Given to you!
Oh oh ooh oh oh oh ooh oh oh

Oh I know it's hard to give my "me"
You can't be paid a gift is free
But the Saviour's generosity
Will never be outdone!
When you give your all, you won't believe
That in truth it's you that has received
And the one you've given all to please
Is radically given to you!

The world needs all your love
And you just wanna be given
And I'll be the one to carry you
Ba da bap bap
The world needs all my love
And that's what I wanna give'em
'Cause You are given to me totally
And that's why I am radically
And the world needs all your love (Oh oh oh oh)
And you just wanna be given (Oh oh oh oh oh)
And I'll be the one to carry you (Oh oh oh oh)
Ba da bap bap
The world needs all my love (Oh oh oh oh)
And that's what I wanna give'em (Oh oh oh oh oh)
'Cause You are given to me totally
And that's why I am radically given to you
(Oh oh oh oh oh)
Given to you (Oh oh oh oh oh)
Given to you (Oh oh oh oh oh)
Radically given to you (Oh oh oh oh oh)
Oh oh oh oh oh
