Team Dialogue Discussion Guide

How's life? 💡 ... family, work, etc. Spiritual Direction update – how's it going? **Touch base on Team Life and Encounter** –

Are you getting enough time to share? Do you want to go/attend encounter? Is it life giving for you? Does it energize? If not, what can help? Where does encounter fit? How are you doing with building spiritual friendships within the team? Ideas to strengthen? Desire for team life?

Cases? Appreciate everyone's effort –

Day/time still work? Anything else?

Formation – ability to participate in monthly retreats – would you like to do as a team or just individually? Convention – retreat? On line resources – need any assistance?

AFIRE – like to strengthen individual components - and check with Little AFIRE members about their connection with Section AFIRE shown in parenthesis – still work in progress to help shared ownership for team life and connection to the life of our section too.... Have you been in contact with your Section AFIRE Coordinator? Recommendations?

FIRE Team Coordinators for Women's Section and suggestions:

- **Apostolate** someone to help communicate all the happenings in our section: Have this person send out resolution each week from Encounter

- **Formation** lead our study circle: example, monthly mtg,
- **Integration**: maybe have this person know all the birthdays of our ladies and plan fun little gatherings socially for our team.
- **Recruitment**): help with accompanying new members and possibly doing the new beginnings with the new ladies,
- **Economy** inform team of mass donations, donations for our monthly retreats etc.. Call to Mission, annual donation

Request for all of us – prayers for the team life, for individuals **Anything else** – prayer requests, whatever – open to discussion
