About the Facilities:

Our Convention will take place at Georgia Institute of Technology (GA Tech), which has a thriving Catholic center:

The participants will stay in the dorm area of the campus. We are hoping to be able to use the Catholic Center Chapel for all our prayer needs. This year the boys Convention is not taking place in the same city. Being on Campus at Georgia Tech will give us the opportunity to be close to the city and use the Metro (MARTA) to facilitate great experiences, Missions, and meet inspirational Catholics. Atlanta is a beautiful locality for the girls to experience the larger family of RC/ECYD. Atlanta is also home to a good number of former RC Missionaries, and they will be leading and joining the Mission Day!

*“Do not be satisfied with mediocrity. ... Do not be afraid to be holy! Have the courage and humility to present yourselves to the world determined to be holy, since full, true freedom is born from holiness. This aspiration will help you discover genuine love, untainted by selfish and alienating permissiveness.” –
Saint Pope John Paul II*
