REGNUM CHRISTI
Formation Pathway

10 CHARACTERISTICS
OF REGNUM CHRISTI'S FORMATIVE STYLE

The Regnum Christi formative style flows from its identity, from the aspect of the Mystery of Christ entrusted to us by the Holy Spirit: Christ, the Apostle of the Kingdom (SRCF 8, 9). This style is impregnated with the values, criteria, and characteristics of the Kingdom as its ultimate purpose is for Christ's Kingdom to be established in our own hearts, in all people and in society itself (SRCF 7).

REGNUM CHRISTI FORMATION IS...

1

Experiential & born from an encounter

The starting point is a personal encounter with Jesus Christ, and the journey is the development of this relationship towards a total configuration with Him.

2

For vocational fulfillment

To discover the full meaning of our lives in Christ, to reach eternal salvation, and to live life as a vocation.

3

For the mission

To fulfill our mission of making his kingdom present in the hearts of the people around us and in today's society.

4

Motivated by love & played out in life

A response of love to our Friend and Lord, to love him and what he loves. This is expressed in life and touches all the realities of life.

5

Integrating & integral

Encompasses all the dimensions of the person, penetrates all realities of life, harmonizes and unifies.

6

Gradual & in crescendo

A purposeful,life-long process, one that grows and builds.

7

Dynamic & flexible

Not a rigid structure or merely an outlined curriculum, but a fluid reality and an itinerary that constantly seeks to adapt to the people, time and place.

8

Accompanied

It is a shared responsibility by both the individual seeking formation, and Regnum Christi offering it.

9

An interplay between the individual & the "community of apostles"

Happens both at an individual level and in community.

10

Transformative & fruitful

Aims to collaborate with grace to transform the person, the environment, hearts & society. The Holy Spirit is the artisan & guide.
