

Hope Awakens - RC Music Collective

G A Bm

To a generation made for something more

G A Bm

To a world losing what it's living for

G A Bm

To city streets filling up with hate

G A D

Forgetting that they're made for something great

G A

How will they know

Em D G

If we don't go?

G D A

Use our voice to speak the message of hope

G

And our feet to bring the good news

D A

Wherever we will go

G

Even when we can't see him

Bm A G

Christ is at our side

G

The tomb is empty

A

Hope is alive!

Bm G D A

Let our generation hear the kings call

G A Bm

For missionary hearts both great and small

G A Bm

To rise up to greatness and be Saints

G A D

For in dark times is when great hope awakes

Bm G D A

Hope awakens! Hope is alive

Bm G D A

Hope awakens!

Bridge:

G D A
Death has died, And is buried in the grave

G D A
He's alive, And he's filling us with grace

Death has died, And is buried in the grave

He's alive, And hope awakens
