EXPLANATION OF THE DYNAMIC OF WORKSHOP 4:

OVERVIEW OF THE TRAITS OF THE REGNUM CHRISTI LAY APOSTLE

Goal: To become familiar with the traits of the Regnum Christi Lay Apostle as outlined in *A Framework for the Regnum Christi Lay Apostle*

Go to your meeting area for your small group. For the first ten to fifteen minutes of the workshop, allow each person to read through the Traits of the Regnum Christi Lay Apostle and the North American Formation Plan.

After some time of personal reading, open it up for discussion and comments. These three questions could help to guide the conversation:

1.What stands out to you from Session 4 and from reviewing the traits of the Regnum Christi lay apostle?

2. Is there a particular trait that you resonate more with right now? Why?

3. Looking at the phases of the Formation Plan to develop these traits, in general, where do you see yourself? Your team? Your section?
