WELCOME TO

ECYD PROFESSIONAL DEVELOPMENT!

WHAT ARE YOU COMING TO?

Here is our mission statement:

To provide specialized professional development for those serving in ECYD, understood as the Regnum Christi charism lived by adolescents. This training focuses on the art of accompaniment and the integral formation of today's youth, equipping them to lead in the New Evangelization.

WHAT SHOULD YOU EXPECT?

This course will offer formation and workshops on the topic of Family Evangelization. We will offer tools for our ECYD Adolescent Apostles to evangelize their own families, effective family experiences that favor the dynamic of encounters-convictions-decisions, and tools for parents we can offer to create a community of apostles within the home.
