THE FACE JOURNEY

Become a Mission Circle Facilitator

Accompany a small group of women as they discern the mission God is revealing.

Mission Circle Facilitators create a welcoming space for women to reflect, share, and recognize how God has been speaking through their feelings, abilities, charisms, and experiences. You do not need to have every answer. You are being invited to listen well, guide the conversation, and accompany women through the seven-week journey.

What you will receive

- Full access to all course content and participant materials
- A private WhatsApp group with updates and support
- Direct access to Karla during designated office hours
- One personal mentoring session with Karla
- A mini-training before the course begins

What you will offer

- Be present for all seven Mission Circles; when possible, co-facilitators may coordinate coverage
- Guide each conversation using the course questions while welcoming insights and keeping the group focused
- Offer each woman the option of one one-on-one mentoring conversation if she chooses to request it
